Chengyu SHEN

E: shenchen@usc.edu | 1330 W 37th St., Los Angeles, CA, 90007 | Tel: (213)-716-1987

EDUCATION

M.Sc. in Computer Science (general), University of Southern California   2017 - Present
B.Sc in Computer Science, University of Nottingham (UNNC), China   2012 - 2016

TECHNICAL SKILLS

Programming: Java, C, C++, SWIFT, Python
Website: HTML5/CSS/Javascript/PHP
Database: MySQL
Data Analytics: R, MATLAB, NodeJS
Other: Latex, Git, AWS, Bitbucket

WORK EXPERIENCE

The Big Data and Visual Analytics (BDVA) Lab   06/2014 - 08/2014
Data Analyst | Node.js & R
  • Professional experience as a data analyst in undergraduate university.
  • Extracted products' information from Amazon website.
  • Discovered the connections among different information with R.

PROJECTS

Responsive Web Design   04/2017
PHP & AngularJS & HTML5
  • Developed a responsive website using bootstrap and corresponding CSS codes.
  • fetched latest Facebook data using Facebook Graph Search APIs and interpreted them with a PHP file deployed in AWS.
  • Implemented a dynamic website using AngularJS.

Nome Info Website   09/2015 - 04/2016
PHP & MySQL & WeChat API
  • Developed a website with CodeIgniter framework and MySQL database, having more than 3,000 active users.
  • Allowed students to publish and participant school's activities from the Internet.
  • Based on WeChat APIs, users could pay or communicate with official account.

Twitter Sentiment Analysis   10/2015 - 05/2016
Node.js & R & HTML5 & Javascript
  • Developed website crawler and obtained millions of real-time tweets from Twitter.
  • Implemented a Node.js translating script with MicroSoft APIs to translate tweets into English.
  • Visualized millions of tweets and earthquakes' records on maps to analyze the relation of earthquakes and tweets.
  • Builded multiple classification models based on SVM, Naive Bayes and Decision Tree algorithms, the accuracy of learning result was higher than 86%.

Aircraft Game   03/2015 - 05/2015
C++ & SDL
  • Developed a Aircraft Game in C++ and got the highest score among classmates.

AWARDS

UNNC Head's Scholarship — top 20% students   11/2015
UNNC Dream Scholarship — Reward for Nome Info website   10/2015
UNNC Head's Scholarship — top 20% students   11/2013
